**Re:** Monthly Report - December 2009

---

### **Report Summary:**

Crime data and monthly departmental activity is summarized with a historical perspective.

### **Comparative Data:**

Uniform Crime Index Offenses decreased almost 20 percent from November 2009; and, when compared to the same time last year, there is a decrease of 5.12 percent.

### **Report Analysis:**

There were 48 reported assaults, 29 of which were family violence assaults.

Burglaries decreased overall by 51.43 percent; habitation burglaries decreased more than 47 percent. Of the 11 habitation burglaries reported, force was used to gain entry in five homes. Four homes were entered through an open garage door or unlocked window and two had no signs of forced entry and it is unknown how entry was made.

Building burglaries decreased by 8 incidents. Two of the six buildings burglarized were under construction.

Burglaries of Motor Vehicle decreased by 17 incidents from last month. Of the 34 burglaries reported, twelve vehicles were entered by force, fifteen were unlocked, and it is unknown how entry was made in seven vehicles. Fourteen of the fifteen vehicles entered through an unlocked door were parked at a residence location; however, only two of the twelve vehicles entered by force were parked at a residence location.
